Agro Grains is a family-owned enterprise, which commenced business during November 2021.

Agro Grains is a well-established company supplying grains and seeds to the public and smaller businesses. The company is engaged in the production of grains and seeds for poultry and birdfeeds.

Our Core Beliefs

The company is dedicated to providing the highest standard of quality customer services, meeting the agreed delivery dates and keeping sales prices controlled in accordance with ongoing market trends.

Our Mission

To provide the finest product to the best feed suppliers is the motto our company lives by. This is accomplished by delivering an excellent quality product to customers who share our value for good quality grains.

Our Vision

We strive that our business will continue to grow by constantly identifying future clients to expand our business. We will continue to focus on delivering a high standard and maintaining excellent customer service.

Why choose Agro Grains?

We trust to provide quality grains to ensure our potential customers receive exceptional and high-quality products at the agreed delivery dates.

Our grains are selected and chosen for their high in protein, fat and fibre content. To provide a healthy diet for birds and to ensure they receive the necessary energy and nutrients.

Our team provide a standard of customer service and share a strong value of going that extra mile. We focus on by responding to our customers wants and needs, our professionalism, and willingness to help whenever possible.

Our goal is to remain competitive within the market by offering our products at the best price possible. We will continue to grow and introduce new products and services to our customers.
